

Introduction to Business Interruption Insurance

Tuesday, February 12, 2019 | 8:45am – 12pm PST | Holiday Inn Express Langley

CLASSROOM | BUILDING | TECHNICAL

Do the words Business Interruption Insurance cause you to shiver? This important type of insurance can be perceived as highly technical requiring years of study and many questions tend to be left unanswered. Through the use of simple numerical examples, this seminar will provide you the tools and confidence you need to understand the concepts and methodology relating to a business interruption loss.

SEMINAR OBJECTIVES

- Understand business income, profits, earnings, and co-insurance
- Identify warning signs
- Read income statements and obtain the additional information required
- Determine loss of sales and calculate profits/earnings as defined
- Discuss increase in cost of working and saved expenses
- Determine variable and fixed costs and their impact
- Discuss ordinary payroll options and payroll coverage issues
- Calculate a loss

AUDIENCE | This is a half-day **interactive** workshop for adjusters, brokers and underwriters to gain a better understanding of the calculation and application of business interruption wordings and various forms.
